The Intersect Group Announces Office Expansion

ATLANTA—(September 12, 2007)—The Intersect Group, a leading provider of Information Technology and Finance/Accounting project and staffing services announced today that it has expanded into new office space at 10 Glenlake Parkway in the Perimeter area of Atlanta. Founded in 2006, The Intersect Group has over 100 consultants billing and is one of Atlanta's fastest growing companies.

Dan Duffy, President of the IT division said, "We have been really pleased with the reception that Intersect has received in the marketplace and Atlanta is a great spot to launch a national business. Additionally, 10 Glenlake is a great facility that provides our team with a very professional environment."

Scott Meyerhoff, President of the Finance/Accounting division commented, "This move means more than just growth for us. It represents a validation of our unique business model. We have listened to what our clients needed, provided customized solutions, and our business is flourishing as a result. It's an exciting time".

Headquartered in Atlanta, The Intersect Group's goal is to differentiate itself as the premier flexible professional services firm offering a single source for solutions in information technology and finance/accounting expertise. The Company's unique mix of experienced professionals on staff coupled with a focused recruiting engine allows the Company to offer superior and flexible solutions to its corporate and private equity clients.
